

Thinking about a Future Career in a
Construction-related Business?

Please plan to attend:
CONSTRUCTION CAREERS ACADEMY
Program Information Night

This program will help students explore a variety of construction-related career opportunities, develop appropriate work readiness skills and prepare to enter apprenticeship or registered training programs, enroll in a postsecondary education program or attain direct entry employment.

*Whatcom County High School Students
and Parents are encouraged to attend the information night to
learn more about the CCA program. Get your questions answered
before completing the application process.*
