

Turn your passion for video games, art/graphic design or technology into a future career in the multi-billion-dollar video game industry!

LEARN MORE ABOUT THE HIGH SCHOOL VIDEO GAME DESIGN PROGRAM

This class is open to juniors and seniors from all Whatcom County high schools. Sophomores enrolled in Bellingham Schools may also apply. For those of you wanting more information about the *Video Game Design* program and application process, please plan to attend one of the following general information sessions scheduled for students and parents.

March 11, 2008
7:00 p.m. – 8:30 p.m.
Sehome High School Technology Lab
Room IA-1
2700 Bill McDonald Parkway
Bellingham

~ OR ~

March 13, 2008
3:15pm – 4:00pm
Sehome High School Technology Lab

Note: if you are unable to attend one of the information sessions, please talk with your Counselor or Career Center Specialist for program information. Check Whatcom Tech Prep Consortium website for all VGD application materials: www.whatcomtechprep.org (Select Students, then Video Game Design, which is located under *Community Classroom - Applications*)
